Melamine MDF

Infinity, as a concept is used to define time or space that has no end or a place so far away that it cannot be reached or a number so large that it cannot be counted or computed. Something that is, Unlimited, Unbounded, Unfathomable, Inestimable, Inexhaustible, Limitless. Like the number of Stars in the Sky, like the Atoms in an Object, like the Cells in a Living Organism. Many Cultures have different Mathematical, Scientific and Spiritual Interpretations of Infinity. However, what remains truly unknown or inexplicable, is what is Beyond Infinity?

Emilam's 'Beyond Infinity' Range, is our most Diverse Range so far. With a multitude of Colors, Designs, Materials and Textures, the possibilities and applications are truly endless.

MATT FINISH (MF)

SOFT FINISH (SF)

SUPER MATT FINISH (SM)

SAW CUT FINISH (SC)

Emilam is the first in the Gulf to establish a manufacturing facility for Pre-Laminated Melamine Faced MDF Boards of Premium Quality. With a large clients base, stretched over UAE, Oman, etc. We can match any required colour/design pattern of customers' choice along with all the necessary matching accessories like edge lipping, Back Panels etc. Our Pre-Laminated Melamine Faced MDF Boards conform to International Standards like ANSI, BS, DIN, EN etc. We are also proud holders of the ISO 9001 and FSC™ Certification. (FSC™ products are available on request)

Furthermore, we house a variety of premium ranges of laminated products with exciting textured surface finishes that could be applied on anything ranging of wardrobes, table tops, kitchen cupboards etc. In addition, as a speciality product, Emilam possesses Moisture Resistant (MR) Grade Boards, Our Factory has state-of-the-art equipment, which includes our own Resin Manufacturing facility, Impregnation machine and Short Cycle press. We also boast an excellent credit record with financial institutions. With Customer delight as our motto, we at Emilam have always met our customer's expectiations with a line of world class products supported by timely delivery.
